Rotary Club Australia has donated 100 aqua boxes for the flood affected people of District Jafferabad, Balochistan. These boxes were handed over to NCHD through Pakistan Human Development. The NCHD staff at Jafferabad identified the locations most affected from the floods for the distribution of these aqua boxes to the neediest people.

Dera Allah Yar and Kashmir Kot were selected as they were entirely submerged under water and people there have lost everything. The Member National Assembly Mir Changez Khan Jamali was present at the place of distribution. He appreciated the NCHD's efforts for the provision of relief to the affected people. The community also obliged NCHD relief activities in the area.
