

“DAUGHTER OF HAWA”

In 17th September 2001, Allah Almighty gave third female child (who is a disable by birth) to Mr. Muhammad Latif. He is very Poor person and his source of income is laboring on daily wages. His house has two rooms which were made by mud. Mr Latif is living in this house with his ten family members. He thanked to Allah Almighty for this gift in the form of disable daughter and gave her name, **BISMILLAH**. Mr. Muhammad Latif has eight children comprising of three son & five daughters and **BISMILLAH** is stand third in her family. Her two elder sisters are illiterate due to non-availability of School in this village.

There was Masjid Maktab School Chak Murad Khan which was 4 Kilometers away from this village and established in Daras's building and NCHD provided additional teacher (Mr Muhammad Ashraf) to support Government teachers imparting quality

Student of Feeder School Class Grade-I Junior

education in the school. But by the order of EDO-Education, this school was emerged in Government Primary School 69/D, which is also 3 Kilometers away from main location.

In September 2008, feeder teachers were restored and Mr Muhammad Ashraf came in NCHD office and shared the need of Feeder School in actual location. Feeder School Chak Murad Khan was established in September 2008. Malik Muhammad Yousaf (Influential Volunteer) is supporting this feeder school and donated two chairs & one table for teacher to this school.

Bismillah is standing with her class fellow

BISMILLAH also heard the news about opening of school for children in her village. She came in school with her father (Mr Muhammad Latif) for admission and she got admission in this feeder

Bismillah is standing with her class fellow

school with **Silsala No 86**. She is studying in **Grad-I (Senior)**. In current enrollment year, she became the encouraging point due to her talent and performance for her younger brother and sisters to get admission in this school.

She has no hands but she is excellent calligrapher and top one student in her class. Mr Muhammad Siddique (Head Teacher of Parent School GPS 69/D) visited this school with **Mr Ahsen Siddique (DGM, Pakpattan)** and **Mr**

She is writing from A-Z

Abdul Aziz (DPME, Pakpattan). He had given test to her class and she stand 1st in her class.

In Feeder School Chak Murad Khan, total no of students are 83 and she is also studying with one younger brother and two younger sisters and she is the pioneer in her family who take the initiative of

getting education. Her father and mother are also illiterate and her father want to impart education all of his daughters and sons.
