Success Story of School **GPS ALI BAHADUR ARAIN**

Compiled By: DPM-E Ghulam Fatima Soomaro
December 1.2010

Here we present some successful story of a school in district Badin. This is a success story of NCHD efforts. This school was frequently visited by General Manager, District Program Manger Education and Literacy of district Badin during various field visits.

INTRODUCTION,

GPS Ali Bahadur Arain is located in Union Council Khairpur Gambo Tehsil Tando Bago. It is located 36 KM toward east of the district Head Quarters. Village Ali Bahadur Arain consists of about 48 households but in their catchments area near about 72 household.

PAST VIEW OF THE SCHOOL,

When NCHD launched the program of Feeder Schools in the district and the field teams were busy to identify the locations. It was established that there is a need for a school in village Ali Bahadur Arain. With the coordination of Line department, the school was started with enrolling 25 fresh students, but with the great efforts of Feeder Teacher Mr. Muhammad Arshad and Volunteer Porho Kolhi, Akber Arain and

Soomaji Enrollment of this school slowly increased to 129. Keeping in view of this great number of students NCHD provided 2 more feeder teachers with the support of line department. EDO Education was very much appreciated the efforts of NCHD and the local community. He recommended to the district Nazim that this school should be adopted by the local government.

PRESENT VIEW OF THE SCHOOL,

Presently GPS Ali Bahadur Arain is a unique school having its own identity due to good educational environment. Total strength of the school has now reached to 139 and 3 teachers are rendering their services. The local community is quite motivated and takes part in all school activities. With their generous contribution the school now 3 mud rooms, there is a shortage of furniture, which will be acquired through resource mobilization. Every international day are celebrated in this school.

All of this was made possible with the participatory efforts of local community, NCHD and the local government. Here in the village the following activities are carried out for smooth running of the school

Volunteers Activities:

1. Volunteer play vital role regarding updation of UPE register, to ensure participation in SMC, PTM, and BBCM and close coordination with teacher to solve the school problem.
2. Volunteer support to weak student by giving extra time, bringing back the drop outs student and an active role in enrollment campaign.
3. Coordination between volunteers and teachers for betterment of the school. Provision furniture and stationary through resource mobilization

Assessment & Parent Teacher Meeting:

Assessment of children is regularly held on monthly basis with the support of identified volunteer.assessment. Apart from assessment, results of the students are shared with the parents during parent Teacher meeting. The volunteers help the teachers in the improvement of weak students and ensure participation of parents in PTM.

Parent Teacher Association:

Parent Teacher Association meetings are held on quarterly basis. A separate register is maintained by the Head Teacher for the recording of meeting minutes.

All the relevant record such as

- 1. Yearly Enrollment Goshwara**
- 2. Monthly Goshwara**
- 3. UPE Register**
- 4. Annual Assessment Record**
- 5. SMC List**

Are regularly updated and maintained in the school.

Issues:

1. Furniture for school not available,
2. School Building
