**ALC Basala**

**“Where there is will there is a way” Sakina Bibi**

**Sakina bibi, 43 yrs old woman lives in Basala. Her thirst for knowledge made her one of the brilliant learner of the center at Basala. She is one of the regular learner at center .She is the president of WSC who is vocal and urge to learn from others as well. She voluntarily offered her only room, built for her living, for ALC class. Though she is weak in health and doctor has prescribed rest and peace in surrounding but beside it she is putting effort in availing learning opportunities as well as welcoming other women to her home to come and take their classes. That is the reason that teacher comes to the center regularly and all 25 learner’s attendance is very good. Teacher is also putting her effort to make her class more attractive**

**Sakina Bibi can write her name and her husband name now.**
